

Dream Catchers

Developing Career and Educational Awareness

Fourth Edition

Career Cluster Crosswalk

St. Paul, MN

The best-selling workbook *Dream Catchers, Fourth Edition*, helps middle-grade students with career awareness and development through numerous hands-on activities. The course uses a modified career cluster system that is designed to simplify the concepts for young students. This crosswalk shows how the 11-cluster system used in *Dream Catchers* compares to the US Department of Education’s 16 clusters.
